The Board of Directors welcomes Tanya Quin as our new Assistant Community Manager. After many submitted resumes and an interview process, we are excited about Tanya being a part of our community efforts.

Some of her duties will include assisting the committees, which include:

Architectural  
Backyards  
Landscape

As of February 1<sup>st</sup>, she will be on the grounds random part-time hours throughout the week to gather information, report, and monitor compliance.

*"I am a local graduate of Cal State, Channel Islands and have lived in Ventura County for over 30 years. My studies in college focused on plant genetics and biology. I am an avid gardener and plant fanatic. Aside from gardening, I also enjoy home improvement projects and hiking with my dog Marcie.*

*I feel so honored to have the opportunity to work for the residents of Del Prado. I look forward to helping keep Del Prado beautiful and safe, a place you enjoy coming home to. When you see me out and about, don't hesitate to stop me for questions, concerns or just say hi."*

Please welcome Tanya when you see her and show her what a great community we have in Del Prado. If you have any questions, the best way to reach Tanya is by email, but you can use her cell also.

**Congratulations Tanya, we look forward to working with you.**
