

## **Board or Bored Meeting?**

**Have you been to a Del Prado Townhome monthly meeting?  
What's that, you say?**

*"I would rather shampoo the dog and pick lint off my couch. "*

I understand attending a Board meeting is not tops on our agendas, but our newly elected Board of Directors would like to hear your voice and support. Come to a meeting to learn about your community, meet a neighbor, or contribute an idea. Our Board welcomes your input. You can meet us at the next Board meeting on **July 20<sup>th</sup> at 6:30pm**, or read about us on the Club House bulletin board and our website, [www.delpradotownhomes.com](http://www.delpradotownhomes.com).

Our Board members are dedicated experienced volunteers that have served multiples terms. Chuck Raines and Tom Kline are past presidents. Michael Furlong, Christine McFall and I are all returning from previous terms.

President – Lita Starr  
Vice President - Michael Furlong  
Treasurer - Tom Kline  
Secretary – Christine McFall  
Member-at-large – Chuck Raines

**There are committees that need your participation.  
What's that, you say?**

*"I don't have any time."*

Don't worry we have a buffet of jobs that can be tailored to anyone's schedule. You can assist a committee chairperson, mail letters, take phone calls, or observe when you take a walk. The best part is you're contributing to your community and maybe getting to know a new neighbor.

When you've finished cleaning your garage, changing the oil in your car, and removing the dust bunnies under your bed, call me. I would love to chat with you. On the serious side, we need your support and I'm hoping you will give it consideration.

This is the first monthly letter in a series to our residents. Future publications will pass along HOA information and keep the residents of Del Prado in the communication loop.

Yours truly,

*Lita Starr*

President
